ORIGIN [REDACTED]

SUPPLEMENT 30-6454

25X1X

1. The long-distance rocket project [REDACTED] was abandoned 25X1A by the Soviet Airforce Unit in Karlshorst and no work of this type is to be done inside Germany.
2. The Airforce Unit has taken over the following projects from the Navy group in Karlshorst: development of the "Rheintochter", the "Wasserfall", the "Schmetterling", of a Jägerzielgerät (fighter aiming device), and of an adequate Sperry type gyroscope for the Heinkel 117.
3. The above projects have been shifted to the A.E.G. Lokomotiven-Werke in Berlin-Hennigsdorf.
